RE: Agenda Items

REGULAR AGENDA:

- 9. Consideration of Order of Declaration of Surplus and/or Unclaimed Property of the City of Rockingham, NC for 2013-2014 in accordance with N.C. G.S. 160A-270 (b). (See enclosed list Pages 10-12)**

The enclosed list is City property recommended to be declared surplus by City Council in accordance with N.C.G.S. 160A-270 (b).

- 10. Consideration of Order Authorizing the City Manager to Dispose of Surplus and/or Unclaimed Property at Public Auction on Saturday, April 26, 2014 at 10:00 a.m. at the Rockingham Public Works Complex located at 800 Rockingham Road in accordance with N.C.G.S. 160A-270 (b). (See Order & Public Notice pages 13-14)**

N.C.G.S. 160A-270 (b) requires Council adopt order as presented. Additionally the order is to be published in newspaper at least 10 days prior to surplus action.

- 11. Consideration of Approval of Loan of \$7,500.00 to Mari Bennett, owner of LMO Paradise Rentals from the City's Revolving Loan Fund to assist in expansion of her recreation business based in Rockingham. (See pages 15-16)**

Enclosed please find information from Mari Bennett, owner of LMO Paradise Rentals describing her business and request for \$7,500.00 in loan funding to expand her business. In the event Council approves this loan, it would be the first of its kind from the City's revolving loan fund. I believe that the City is very fortunate to have someone like Mari who is willing to own and operate an outfitting business catering to our community which promotes the use of our local natural resources, primarily Hitchcock Creek. I recommend that Council approve this loan request in the amount of \$7,500.00 with a 5-year amortization at 2%.

Subject: Activity Report

With spring right around the corner the following are just a few activities involving our department this month.

Spring Soccer- Registration has been completed and we have another strong enrollment for this spring program. Over four hundred and fifty children have enrolled for the third consecutive year. Practices have been scheduled and league will begin Friday, March 14th.

Youth Baseball/Softball – Registration is currently under way and should be completed within the week. Although still a popular activity it is doubtful if it, or any program, will overtake the popularity generated by youth soccer.

Hinson Lake – As the spring and summer months approach activities and reservations for this facility increase substantially. Hinson Lake has, and will continue, to offer a nice diversification to our recreational offerings.

March is always a transitional month for our department. Weather will remain a variable, but through the years, our maintenance strategies to make the process as seamless as possible. We look forward to the months ahead.
